

COMPANY PROFILE • 2026

# We enable what's next.

We diagnose what's holding your business back, then build the software, place the engineers and drive the demand to fix it.

India • GCC • USA • UK

lucidspire.com

# One partner, accountable for **moving your numbers.**

AI-enabled delivery, people accountable. Senior specialists do the work, with AI tools throughout and a person reviewing every output.

**2022**

Founded

**Bengaluru**

Headquarters

**7**

Markets: India · KSA · UAE ·  
Oman · Qatar · USA · UK

**Odoo  
Ready**

Partner

# Diagnose. Position. Generate. Operate.

01

## Diagnose

Your business as it is today, with every stakeholder agreed on the target.

02

## Position

Easy to find and easy to choose: website, search, social and message.

03

## Generate

Leads and outreach, plus the teams and software growth needs.

04

## Operate

Systems that measure every lead and result, then keep improving.

WHERE EVERY ENGAGEMENT STARTS

# The Business Diagnostic

See your business as it is, then agree where it goes. Act on the roadmap yourself, or with us.

Education

Healthcare

Professional services

Food & beverage

## WHAT YOU RECEIVE

How customers find and choose you, and where they drop off

Root causes, ranked by impact

An audit of website, search, social and systems

A target state every stakeholder agrees on

A phased roadmap from as-is to target

# Four practices. One team.

## IT SERVICES

**Build software  
your business  
actually runs on**

AI & RAG systems  
Cloud, migration & DR  
Modernisation

## STAFFING SOLUTIONS

**The right people  
in the roles you  
depend on**

Permanent & contract  
Executive search  
EOR: India direct, partners  
elsewhere

## POSITIONING & LEAD GEN

**Get found, get  
chosen, get  
enquiries**

Website & message  
Search & Google profile  
Outreach & lead tracking

## ODOO ERP

**Your operations  
in one  
connected  
system**

Implementation  
Health check & rescue  
Oracle & UAE e-invoicing  
integration

# Our own platforms behind the work.

## Outreach platform

Researches prospects, drafts personalised messages, tracks replies. A person approves every message.

## Recruitment platform

Finds gaps in job descriptions, screens resumes with explainable fit scores, tracks every candidate.

## Laundry Management System

Runs a laundry end to end on Odoo: pickup, tracking, delivery, billing, apps and accounts.

# From zero to **300+ customers** in five months.

Positioning brings customers in. Operations keep them.

**300+**

customers, from zero

**80%**

repeat customers

**43 ★ 5**

Google reviews, all 5-star

**Top 7**

Google rank, 3 key searches

## WHERE ENQUIRIES COME FROM

**WhatsApp 40%**

**Website 30%**

**Google Business Profile 30%**

# Delivered across four markets.

IT · KSA

**AI risk management platform for a financial institution**

IT · USA

**Phased VMware to Nutanix migration of SQL workloads**

ODOO · KSA

**Multi-module Odoo across procurement, HR, finance and operations**

STAFFING · INDIA

**Exclusive India staffing partner for a global manufacturing group**

STAFFING · GCC

**Cross-border mobilisation into KSA and UAE with EOR partners**

POSITIONING · KSA

**Full rebrand, website and social for an enterprise**

# Trusted by teams at

LET'S TALK

# Tell us what's holding the business back.

The conversation leads to a Business Diagnostic, not a pitch deck.
